**AP INTERNATIONAL TO DISTRIBUTE
KTS TITANIUM GUITAR COMPONENTS**

Wall, NJ, June 2011 – AP INTERNATIONAL, a leader in the global distribution of musical products, announces the addition of Japanese precision guitar parts manufacturer KTS Musical Products Inc. to its family of products. KTS' tone-resonant Titanium "SMALL PARTS" for guitars and basses will be exclusively distributed by AP International effective immediately.

"We are very excited to be working with KTS" said Andy Papiccio, President of API International. "Their line of high-quality Titanium guitar and bass components are second to none."

KTS Musical Products offer Titanium guitar and bass components that easily outshine all other bridge components. No other metal or material comes close to the tone-resonant qualities of Titanium. Since 1957 KTS has built products with passion and superb craftsmanship that will give your guitar more overall tone, natural harmonics, sustain, better response, more stable tuning and less string breakage!

For more information on AP International or KTS Musical Products please call 732-919-6200 or visit www.apintl.com or www.kts-america.com

About KTS Musical Products Inc.

Established in 1957 by Jinichi Masuda as Kyowa Technological Steel Ltd., KTS manufactured high-quality precision stainless steel parts for many top brands of watches, most notably the Seiko®, Citizen®, GUCCI®, BREITLING® and Baume & Mercier®. In 1997, The Titanium division of KTS was launched by **Hiroshi Masuda**. Hiroshi, an avid guitar player quickly realized the advantages of Titanium and its ability to transfer sound energy. Hiroshi enlisted Dr. **Matsumi Suzuki**, President of the Japan Acoustic Laboratory and together have created Titanium guitar and bass bridge parts that specifically utilize every advantage that Titanium has to offer.
